

## WHERE? WHEN?

YMCB support scheme is based on an innovative approach towards creating the appropriate ecosystem to support young migrant entrepreneurs, which is being tested in four target countries, Austria, Belgium, Italy, the Netherlands, with the aim to scaling up and replicating it in other territories.

A 6 months Training & Mentoring programme starts in February 2020 and it is delivered in national languages (German, French, Italian and Dutch) and/or English.
